Dear family,

As the time comes to say goodbye, I want to thank you from the bottom of my heart for your hospitality and the incredible experience we shared. Every moment with you was precious and will be etched in my memory.

Your warmth and hospitality made me feel right at home. I am grateful for all the beautiful conversations, tasty moments and unforgettable memories.

I hope to keep in touch and visit you again in the future. I wish you all the best and look forward to seeing you again. I would like to host you in my house, in my place, in Greece.

With love, Aphrodite

Everything was perfect

This Samsun

Mobility was one of the greatest in terms of organisation, equal balance between the physical activities and the educational, more conceptual ones !

That mobility could be used as a higher quality project model for future projects reference!

I would add here, that all four partners performed above expectation in terms of participation, Friendship, professionalism, creativity and innovative approaches to all the matters

That took place during the mobility!!
